

FAMILY OWNED & OPERATED SINCE 1946!

The MARKET BAR-B-QUE Philosophy

Market Bar-B-Que opened in June, 1946 offering a unique barbecue brick pit and informal atmosphere. It gave Minneapolis something new and different, aiming to serve a limited number of specialties so delicious, and so well prepared that they could not be surpassed. Our unique barbecue brick pit is specially constructed so the heat and smoke from the wood penetrates the meat, giving it a unique flavor and texture. This is why we serve our sauce on the side, so you can decide if you need it or not. We believe that the essentials of good eating are quality foods correctly prepared, a clean restaurant and courteous service. We are sincere about giving each of our customers these very essentials. Thank you for your patronage.

OUR RIBS DO NOT FALL OFF THE BONE AND IT'S ON PURPOSE!

We've been preparing ribs the same way since 1946. We pit-smoke them in a real wood Bar-B-Que that makes them so delicious that they don't even need sauce.

But if you need sauce, we've got you. We make a classic & hot Bar-B-Que sauce.
